# Ex. 5 - Deliberative

I appreciate that you and your staff are working full tilt on this and other issues, so, thanks in advance for any additional time you may be able to spend with us. I am thinking a two hour meeting sometime during the week of February 22. We're happy to travel to your space, or could host at EPA, whichever is more convenient for you.

Thanks for your consideration, and look forward to continuing to work with you on this.

Good Afternoon Greg,

As per your conversation with Harry Payne, I am sending you two documents concerning Stream Protection rule. One document summarizes the selected changes from the proposed rule to the draft final rule and the other document is the latest version of the draft final Stream Protection rule with the proposed changes. If you have any questions, please contact me and/or Harry Payne. Thanks.
